

I chose Charles County because
I wanted a better quality of life
for my family.

I love seeing farms and fields while at the same time having access to good schools, high quality medical care, and convenient shopping.

Charles County offers all that, which is why I support the proposed Land Use Plan.

It maintains a healthy balance between beautiful rural countryside, well-planned neighborhoods and carefully managed growth.

And it's the **best** plan for Charles County.

Protect Our Charles County.
